[VIEW SOURCE](#)

This fan-fiction article, **Chassalla**, was written by [Witcher190](#) and [Adalwulf of Aedirn](#). Please do not edit this fiction without the writers' permission.

Chasalla was a witcheress of the [School of the Wolf](#) at some point in its history, which was forgotten with the passage of time. It is speculated that she belonged to the same generation as [Nili](#), but it is not known for sure.

Her portrait was discovered by [Adalwulf of Aedirn](#) in the winter after the dissolution of the school and taken to the [School of the Fox](#), where she would be investigated, discovering some stories in Nilfgaardian folklore, which could be related to her, but this is not clear.

Trivia

- The portrait of Chasalla, belongs to one of the avatars of the mobile video game *The*
